2nd Annual FORCE 5K RACE October 2nd

Mission: To raise money for Long Hill Township's Schools

FORCE, The Education Foundation of Long Hill Township is organizing a 5K race to raise money for the local schools. Last year the race was a great success, we had over 220 runners and raised over \$6500. We hope to have double the participation this year.

The race will begin at Central Middle School at 8:30am and end at Central Middle School. At the conclusion of the race there will be refreshments, a raffle, and prizes awarded for winners for: men and women adults, girl and boy teens and girl and boy kids.

Proceeds from this year's event will be distributed to our schools through enrichment grants, as well as technology training for teachers and an elementary school performance. For more information about FORCE and its mission, please visit www.longhillforce.org.

To be a part of this special fundraiser we are asking local businesses to contribute by sponsoring the race by Sponsoring the RACE, the mile, sponsoring the finish line, or general sponsoring. The back of the t-shirt can display your business logo with business name or your business name only. You can also donate products, services, or financial contributions for prizes for the runners. Your business name will be highlighted on our website with a direct link to your website. All donations/prizes will be listed in the web site, t-shirt and highlighted during the raffle providing full audience awareness of your generous contribution.

We look forward to working with you on our 2010 fundraiser and thank you in advance for your consideration. Please indicate the level of your contribution on the attached form. Any participation is greatly appreciated!

Sincerely,

Trish Gianakis -- Chair
FORCE Tiger Tracks 5K Race for Education
